

Pre-Colonial/Colonial Times

Essential Questions:

- How does the geographical diversity impact the movement and lives of people in North Carolina and the United States?
 - What motivates civilizations to explore, settle, and conquer new lands?
 - How has the blending of distinct cultural groups, both native and not, shaped the American experience?
-
- How do humans interact with the physical features of different regional environments?
 - What factors help or hinder settlement and development?
 - What factors impact the formation of our current system of government?
 - How does diversity impact relationships?

-I can explain how location and place have presented opportunities and challenges for the movement of people.

-I can understand the human and physical characteristics of regions in N.C. and the U.S.

-I can explain the impact of economic, political, social, military conflicts.

-I can summarize the contributions of particular groups to the development of N.C. and the U.S.

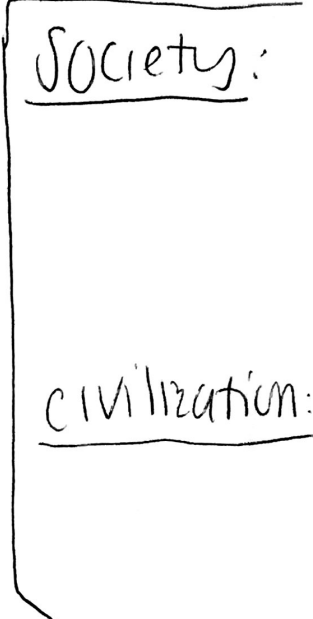

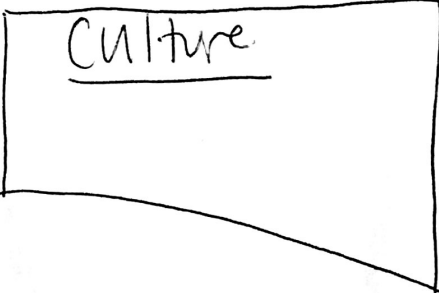

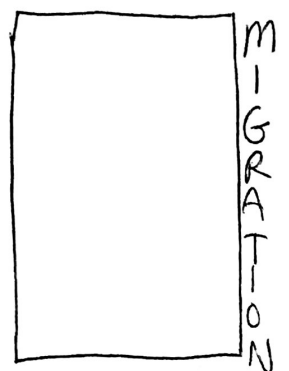

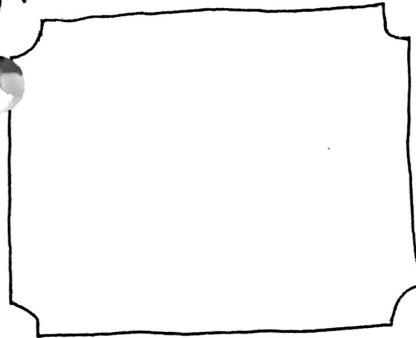

-I can summarize the literal meaning of historical documents in order to establish context.
